

Hello, CSEC 751.01!

Today you will work at looking at your company's data gathering. You will evaluate your need to comply with GDPR. Here is checklist you should complete today:

<https://gdpr.eu/checklist/>

Read & checked all boxes

Once done create a google document that answers the following questions:

1. Does your company need to comply with GDPR?

No

2. If no, please justify the answer

Our business does not run anywhere in the EU (USA, Australia, Argentina)

3. If yes, please list the company obligations and customer rights you need to have in place to be in compliance.

NIL
